

**It may be cool outside right now, but before we know it the warm days of summer will be upon us. If your school age child (kindergarten graduates through grade 6 graduate and they live in Robinson Township) would enjoy spending time running, exercising, creating crafts, making new friends or reuniting with old ones, then sign them up for the Robinson Township Summer Camp.**

**As in the past years we will again meet at the Rotary Shelter on Mondays, Tuesdays, and Thursdays. On Wednesday's we will meet at the Lyons shelter at Burkett Park to play field games such as kick ball, Dodge ball, and other fun games. As in the past years don't forget to send a snack and drink with your camper Monday through Thursday! On Friday's we will meet at the pool and after we are finished swimming we will walk up to the playground to play at Clever Park before being picked up to go home. As in previous years when your camper is finished swimming he/she will still be able to order pizza for their snack.**

**Camp this year will run from 9:00 am until 12:00 noon beginning Monday, July 6, and will end Friday, July 17. If your camper cannot make it everyday that will be fine. We will be glad to see them whenever they can make it.**

**Applications for the camp can be found on the Township website or picked up at the pool. All applications must be turned in by May 25, 2009. I am looking forward to greeting all of the new and old campers at the Robinson Township Summer Camp 2009!**

**Mike Migliozi,  
Camp Director**
